

**Superintendent Horne's Arts Education Initiative  
Participating CSR School Sites SAIS Data Form**

*In order to complete this form, you will need the names of the students participating in the arts education initiative, and access to the SAIS Student ID Numbers for those students. You may need to consult with school and/or district data administrators in order to complete the form.*

## Contact Information

Name of School:	School CTDS:
School Administrator/Principal:	Person to contact with questions regarding student ID's:

Please use the form below (you may attach additional pages if necessary) to note the SAIS Student ID #’s of students participating in your arts education initiative. This will allow ADE to track academic achievement for participating students over time. IF you have students participating at a variety of levels (e.g. some receiving more instruction/project time than others), please report **only** those students participating at the **most intensive level** in your arts education initiative project.

Questions? Please contact Rolanda Bell at 602/364-1997 or [rbell@ade.az.gov](mailto:rbell@ade.az.gov)
